Dear Mr. McManus:

On August 14, 1996, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 28, 1996 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-In your response you state that you have received an in-kind contribution from R.C. Allen and you ask what is the proper way to report this type of contribution. Please be advised that in-kind contributions from individuals which benefits both the federal and non-federal accounts of a committee should be disclosed as a disbursement on Schedule H4 with the federal share of the contribution disclosed on Schedule A supporting Line 11(a)(1) and the non-federal share of the contribution disclosed on Schedule H3 as a transfer from the non-federal account. The disbursement reported on Schedule H4 should reflect the ratio of 95% federal and 5% non-federal as reported on Schedule H2 for the N5 activity. Please amend your report by clarifying the apparent discrepancies concerning the contribution from R.C. Allen.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
